Phillip's 2nd Annual Toy Drive What? New, unwrapped toy Who? Last year, Phillip Santillan, started his 1st Annual toy drive because he wanted to give the gift of happiness to foster care kids in local, foster care facilities. The idea emerged when he participated in the 2017 Scholastic Incorporated student contest called "Name the Problem, Create a Solution" when he was in 3rd grade. Now as a fourth grader, Phillip wants to continue this amazing tradition. He needs your help, the Williams community, to bring the gift of happiness this Christmas to foster kids. Drop off in the High School office (green box).
