Mid Valley High (Continuation)
2022-2023 School Accountability Report Card
(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview	By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.
	- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
	- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
	- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.
DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Mid Valley High School is a school that develops the whole student by focusing on strategic support and stretch opportunities in rigorous course work for all students. We believe all students can and must learn. Our students are being prepared for college and career readiness where they will need to communicate, collaborate, think critically, and be creative. We are very proud of our culture and work ethic. Our families are hardworking and dedicated. As students and parents continue to expand their knowledge of what is available to them, the sky is the limit.

School Description and Mission Statement

Mid Valley High School is a continuation high school which gets students back on track academically, finds a path for the non-traditional student, or accelerates students towards graduation.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents input is sought in many different ways. This is an area Mid-Valley Alternative High School continues to seek greater parent involvement. The following is a list of examples of parental involvement.

- School Site Council
- Brown and Gold Foundation
- Open House Parent Conferences
- Back to School Night Parent Conferences

Brown and Gold: The purpose of the Foundation shall be to encourage community support in financing athletic programs in the Williams Unified School District and further, to stimulate a spirit within the community to rally in support of the school's athletics and students.

District English Learner Advisory Committee: (D.E.L.A.C.) is an elected group of parents who advise the district, English Learner Advisory committee, principals, and staff in the development of the bilingual education portion of the district school plan, district wide needs assessment; and district goals for ELD students.

English Learner Advisory Committee: (E.L.A.C.) is an elected group of parents who advise the principal and staff in the development of the bilingual education portion of the school plan. The E.L.A.C. also acts as a liaison between parents and the school. The E.L.A.C. meets every month as needed.

School Site Council: The purpose of this Council shall be to:
1. Develop and recommend the School Improvement Plan;
2. Have ongoing responsibility to review with the principal, teachers, other school personnel, and pupils the implementation of the school improvement program and assess periodically the effectiveness of the program;
3. Annually review the school improvement plan, establish a budget consistent with the Education Code, and; if necessary, make modification.

2023-24 School Safety Plan

Williams Unified School District Comprehensive School Safety Plan has been reviewed and updated by the District Task Force composed of administrators, teachers and classified staff members. The plan has been reviewed by the Williams Police Department. The plan was approved by the School Site Council November 13, 2023.

The Williams Unified School District Comprehensive School Safety Plan (CSSP) provides a guide to school safety related data and to the procedures administrators and staff must follow in the event of an emergency. The school site's Comprehensive Safe School Plan also includes the Crisis Response Plan (CSP), which documents the steps all employees must know in order to respond quickly and efficiently in the event of a crisis on campus.

The Comprehensive School Safety Plan (CSSP) is required by Education Code 32282-32289 to be reviewed and updated, and subsequently submitted for approval to the School Site Council (or School Safety Planning Committee) as well as to the district's governing board or county office of education by March 1st. The contents of the CSSP should include, at a minimum, information assessing the current status of school crime committed on school campus and at school-related functions, strategies and programs that provide or maintain a high level of school safety, and procedures for complying with existing laws related to school safety.

District Staff uses the Catapult Emergency Management System as a safety communication tool. Staff is able to report an incident, account for students, monitor ongoing communication, ask question's and share pictures through messaging.

Anonymous Reporting links were added to all school and district websites to report the following:
- Bullying: Acts of bullying include verbal, non-verbal, physical or emotional acts against another student either in person or online.
- Tips: Tips can include safety concerns, witnessed acts, or other incidents that would otherwise indicate harm to those in or around the school.
